**PART SERVICE HISTORY**

NEW MOT WHEN PURCHASED. Stunning condition & unbelievably original, never needed to be restored Ford Capri 1.6 GL. Inherited from family and owned for the last 10 years as only the second registered keeper from new. Original body panels. Mostly Original factory paintwork. Original upholstery in amazing time warp condition. Rare to the market in this fantastic condition, let alone such original condition. Just to reiterate. First owner 28 years, then passed/inherited after bereavement to the next family owner of 10 years. Not a barn find, but a superb and original Capri, cherished and remarkably preserved. You'd be forgiven to think it hadn't reached it's first Mot, its that good. Once in a blue moon chance to own a stunning motoring legend of a Ford. Recent Cambelt/service. Mot. Factory panel gaps, glass, number plates, etc etc. Dry stored, so not the usual rot boxes out there. Cars can only be original once.
